The *Salon* 2012

The origin of *Salons* dates back to the eighteenth century France. Since 1725, an art exhibition was held in Paris, called the 'Salon'; 'salon' was official exhibition of the Académie des Beaux-Arts (Academy of fine Arts). For the next 200 years, exhibiting at the Salon was a *sine qua non* for any aspiring artist. There was a paradigm shift in the art of painting after the invention of photography. In 1863 the Salon jury turned away an unusually high number of paintings, including works by Renoir, Monet and others. There was an uproar. The Impressionists held their own independent exhibitions between 1874 and 1886.

I am not aware precisely when we started using the term 'salon' for the exhibitions held by PSI. It is a fact however that in November 1937, three months after the inception of the Society, PSI organized its first exhibition with eighty exhibits. There was no judging. This year there were 258 entrants, 545 entries of which 104 were accepted. The entries may reflect the changes, advances, in technology; but the creators belong to the same creative, energetic and passionate community of photographers that calls PSI their home.

PSI is a volunteer-driven, non-commercial organization, and it is no mean task for our volunteers and well-wishers to organize these salons year after year. My sincere thanks to all those who have worked so hard to make this year's salon another success story. I also thank the eminent judges, and of course the participants.

Finally, I wonder wistfully how much more PSI could do if it received more generous support from the many commercial organizations, particularly multinational companies that have such large budgets to spend on advertising and exhibitions in the fields of photography and imaging,.

Kirit J. Sheth
President 2011-2012
Photographic Society of India

From the Desk of the Salon Chairman

In the Platinum Jubilee Year, The Photographic Society of India is holding the Salon 2012 – 62nd All India Exhibition of Photography.

The panel of judges, out of 2887 entries, have selected 598 entries.

I personally wish to thank all the eminent judges Shri Aseem Sharma AIIPC, HON. APSG, Shri Asim Kumar Bhattacharjee EFIAP, FFIP, PSA2* and Shri Subhash Jirange FFIP for doing a fine job of judging. I wish to thank the FIP and IIPC for giving their recognition to our Salon.

The success of the Salon would not have been possible without the overwhelming response of the participants. I wish to thank them all.

My sincere thanks to all those who have, directly or indirectly, helped in making Salon 2012 a grand success.

Ganesh Ambokar.
Salon Chairman.

From the desk of Salon Secretary

The Photographic Society of India is pleased to hold its 62nd All India Exhibition of Photography from 2nd January 2011 to 8th January 2011 at the Jahangir Art Gallery, Mumbai.

This year PSI is celebrating its Platinum Jubilee Year. It was way back in the year 1937, the Society was formed by a small group of Photography enthusiasts in Mumbai. Since then PSI has grown leaps and bounds. Its current membership is nearly 2000. The members consist of people from different walks of life with the only common interest to learn the art of photography and to hone their skills. Many of our members have made their mark in the world of Art Photography at national as well as international level.

Like every year, this year also the response for our All India Salon was overwhelming. We received 2887 entries from 258 participants from all over the country. Out of them, ----- were successful. The total awarded / accepted entries were -----.

The judging was done by eminent photographers, Shri Asim Kumar Bhattacharjee, EFIAPFFIP, PSA2 from Kolkata, Shri Aseem Sharma, aiipc, Hon. APSG from New Delhi and Shri Subhash Jirange, FFIP FROM Mumbai. We extend our gratitude to all three judges for their fine judging and for spending their valuable time for PSI.

The Salon Committee is thankful to FIP and IIPC for recognizing our Salon 2012. The Committee is thankful to all the participants for their overwhelming response. Also our sincere thanks to our patrons and sponsors.

Last but not the least, the Salon Committee wish to thank all the members who have helped in the Salon work and who have contributed to make the Salon a grand success.

Rajendra Waghmare
Salon Secretary 2012

From the Desk of the Jt.Hon. Secretaries

The Photographic Society of India enters the 75th year of its inception and has the proud privilege of holding exhibitions every year and thereby contributing to the progress of photography as an art in this country.

It is with great pleasure that we present Salon 2012 – 62nd All India Exhibition of Photography.

Once again the overwhelming response from our fellow photographers speaks volumes for the popularity of the PSI All India Exhibitions.

While we take this opportunity to thank all the entrants and congratulate those who have been successful, we wish better luck next time to those who have been less fortunate.

We wish to thank all the judges for finding time to judge this Salon. We also wish to thank the IIPC and FIP for recognition of our Salon. We thank Shri K.G. Maheshwari Foundation of Mumbai for donating cash awards in the monochrome pictorial print section.

We express our deep sense of gratitude to all the patrons, donors, advertisers, well-wishers, media, PSI members and Salon committee members for their support and cooperation.

We take this opportunity in wishing you all a very happy, healthy and peaceful 2012.

Known for your candid eye and storytelling pictures, you have been wedded to photojournalism for over three decades. You have covered a wide genres and themes. You invested your most vigorous years - a decade each to three major media houses- The Daily, The Indian Express and Mid-day. You are particularly remembered for the coverage of the Mumbai Police and the 1992 communal riots. Though you started photography as a hobby you have completed several advance courses in photography and a number of courses in mass communication.

You now have seven photography exhibitions to your credit and have contributed to various national and international magazines. Prominent among them are your contributions to the Black Book, The Illustrated Weekly of India, Better Photography and a coffee-table book on Mumbai Police.

In the year 2000, you launched the first ever photo CD in India named Bombay to Mumbai that portrays change in the city through six hundred pictures. Throughout your career, you have trained over fifty photojournalists who are now part of national and international media houses. You are now associated with the NCPA as the head of the Piramal Gallery and have organized forty successful exhibitions with a major thrust towards contemporary work.

As true a Mumbaikar, you continue to shoot Mumbai, portraying the changing nature of the city in the new millennium. Your major thrust these days is on helping people focus on photography as an art form; sponsoring sound coaching programs for youngsters, aspiring hobbyists and budding professionals; and on providing a platform for sincere aspirants to showcase their work through the gallery at NCPA.

Platinum Jubilee Celebrations of The Photographic Society of India (PSI)

Born on Sunday, the 29th August, 1937, the Photographic Society of India, popularly known as the PSI, enters into the 75th year. A tiny sapling planted by a small group of founder-members has now grown into a huge tree.

The Society is considered to be one of the oldest societies of its kind in this subcontinent. The Society can claim today to be one of the largest, the most active, the best organized and the best run photographic organizations in our Country.

All these has been possible because of the relentless efforts, patronage and guidance of legends like the father of the Indian photography late Shri J.N.Unwalla, late Shri R.R. Bharadwaj (Guruji), well-known industrial photographer of his time late Shri Mitter Bedi, renowned glamour photographer late Shri Gautam Rajadhyaksha, legendary portrait photographer Shri K.G.Maheshwari, Shri Dilhar Bacheech, noted Senior Advocate, ex-MP and well-known wildlife photographer Shri Adhik Shirodkar, Justice Anand Nirgude (Bombay High Court Judge) and many others.

The Society was formed to promote the art and science of photography and is a meeting place for all who are interested in photography and who want to polish their photographic skills. The Society has members with varied professional backgrounds. Doctors, Lawyers, Engineers, Bankers, Politicians, Architects, Painters, Professional Photographers, etc. congregate with the sole intention of pursuing their passion for photography.

The Society is a very active one and every week there are lectures, demonstrations, photographic competitions, workshops, outings, etc. It also organizes photographic trips to picturesque and exotic locations. In the recent past many members have visited Kashmir, Himachal Pradesh, North Karnataka, Konkan, etc. The beginners in the field of photography are especially encouraged to participate in these activities and they get guidance from the seniors.

It is perhaps the only photographic society in India which has its own premises, a well-equipped studio, library, photo-gallery, darkroom, etc. The members can avail of these facilities at very nominal fees. It also conducts basic and advanced photography courses. It also has a monthly official publication "Click", which first saw the light of the day in the year 1952.

Apart from organizing various photographic competitions exclusively for its members, the Society also organizes National and International photographic competitions which are open to all.

It organizes All India Photographic Exhibition every year at the prestigious Jehangir Art Gallery. Coincidentally, its first All India Photographic Exhibition, though not held at this gallery, was inaugurated by late Sir Cowasji Jehangir on 26th October, 1940.

Its members have won accolades not only in the photographic exhibitions organized by the Society, but also at those held in other parts of the country and indeed throughout the world.

The Photographic Society of India has played a pivotal role in growth and promotion of the art and science of photography in India. It was the first to give color photography its rightful place.

To celebrate its Platinum Jubilee the Society has organized many interesting activities. A quarterly thematic portfolio competition has been introduced. Special photography tours to exotic locations are being arranged. It would also be displaying the work of legendary Masters of Photography. First such exhibition of photographs of late Shri Mitter Bedi was held at the PSI Gallery recently. These displays are open to the general public.

All those who are passionate about photography should join The Photographic Society of India.

27th December 2011

Dear Sirs,

On the auspicious occasion of opening of the 62nd All India Exhibition of Photography 2012, organized by The Photographic Society of India. I convey my greetings to you and congratulate you for your continued success of organizing such a unique event.

As a Photo lover, I thank you for inviting me as member of the Jury which I enjoyed very much. I also thank you for your arranging an exhibition of some of my works at your gallery. More especially I would like to mention here that visiting your society and meeting your members, enjoying your warm hospitality, witnessing your dedicated service for the cause of Photography was a wonderful experience for me.

Your society is a stalwart in photography. May your 75th anniversary turn into centuries.

I wish all the best for a very successful exhibition of this year and the years to come.

Thanking you,

Yours sincerely,

Asim Kumar Bhattacharjee
