Abstract of the minutes of the Extra Ordinary General Meeting (EOGM) held on 21st May, 2010 at the Society's premises at 6.30 p.m.

Shri Kersi Rabadi, President of the Society was in the Chair. As the required number of members to form the quorum was not present, the meeting was adjourned for half an hour. The meeting started at 7.00 p.m.

Shri Prasad Pawaskar, Hon.Jt.Secretary, briefed the General Body about the purpose of calling an EOGM. He mentioned that certain Rules of the Constitution of the PSI were required to be amended.

Proposed Amendment to Rule no.1 was taken up for discussion. Shri Prasad Pawaskar requested Shri Shashank Ranjit to explain the amendment to Rule no.1.

Shri Shashank Ranjit explained that Rule no.2 should be taken up first for discussion, as Rule no.1 needed to be amended only if the General Body accepts the proposed amendment to Rule no.2. The proposed amendment to Rule no.2 was then taken up for discussion.

Shri Prasad Pawaskar explained that it was necessary to offer Institutional membership, as many institutions like colleges, other organizations, etc. had approached the Society for such a membership. Shri Ashok Mehta enquired whether the Society would be able to accommodate the resultant increase in the number of members for the Friday programs. Shri Prasad Pawaskar replied that suitable rules could be framed to restrict the number of persons attending the PSI programs. Shri Rusi Khambatta opined that specific guidelines could be issued to the Institutional members in this regard. Shri J.P.Shah expressed that it was a good idea to offer Institutional membership. Shri K.C.Marfatia suggested that the Society should restrict the number of persons who could attend the programs of the PSI and or they could attend in rotation. Shri Prasad Pawaskar suggested that the PSI would observe the number of members actually attending the programs and accordingly suitable rules would be framed. Shri Shashank Ranjit appreciated the suggestion for offering Institutional membership. He further expressed that some institutions who run photographic classes/clubs might misuse this facility. Shri Prasad Pawaskar assured that adequate care would be taken to prevent misuse of this facility. Shri Ashok Mehta suggested that fixing an annual fee equivalent to five times of the prescribed annual subscription would be feasible. He further stated that the Institutional members should be restricted from participating in certain activities of the PSI. Shri K.C.Marfatia opined that such apprehensions were unwarranted. Shri Prasad Pawaskar reiterated that suitable rules would be framed to avoid any misuse. Shri D.S.Warty expressed that there should be no restrictions on the number of members attending the PSI activities.

It was decided to offer annual Institutional membership. The annual fee for such member was fixed as equivalent to five times of the prescribed annual subscription.

Proposed amendment to Rule no.7 was then taken up for discussion.

Shri Rusi Khambatta enquired whether the PSI allowed membership to those below the age of 18. He also enquired the status of the Associate member in case the Principal member fell ill. Shri Prasad Pawaskar and Shri Shashank Ranjit clarified the doubts raised by him.

Shri Shashank Ranjit requested the General Body to allow the PSI to incorporate certain changes in the Constitution in case the proposed amendments are passed by the General Body, like changing the serial nos. of the Rules, adding certain clauses relating to Institutional member, etc. The General Body gave its approval for such changes.

Shri Raja Shetge enquired whether an expelled member could be allowed to attend the PSI activities or whether such a member could reapply for PSI membership. Shri Prasad Pawaskar replied in the negative.

Shri Prasad Pawaskar then explained the need and purpose of extending Lifetime Associate Membership to the spouses of Patrons, Life Members and Honorary Members.

Some members felt that the proposed amendment to Rule no.7 viz. 'Lifetime Associate Member will hold membership till the principal member remains the member of the Society' was slightly unfair and Lifetime Associate Member should be allowed to continue even after the principal member ceases to be the member of the Society.

After discussion it was decided to insert the following clause under Rule no.7. 'Lifetime Associate Member would be allowed to continue as such, if such a member pays half ($\frac{1}{2}$) of the prescribed subscription for Life Membership and any other fees/deposits prevailing then i.e. (at the time of payment).

Shri K.C.Marfatia suggested that certain changes should be made to the Honorary Membership. He was requested to give his suggestion in writing as item was not part of the agenda of the EOGM.

In view of the foregoing the Rule no.1, 2, 7 and 15 were amended now to read as follows :

Rule no.1 : In the interpretation of these Rules and Regulations unless there is something inconsistent with the subject and/or context "The Society" means "THE PHOTOGRAPHIC SOCIETY OF INDIA". Words importing the "Masculine" gender and "Singular" number shall respectively include the "Feminine" gender and "Plural" number and vice versa and wherever appropriate, the word "Person" would also include "Institution".

(Note : The remaining part of the Rule remains unamended.)

Rule no.2 : There shall be the following classes of members of the Society.

- (1) Patrons
- (2) Life Members
- (3) Honorary Members
- (4) Ordinary Members
- (5) Overseas Members
- (6) Institutional Members
- (7)

Rule no.7 : ASSOCIATE MEMBER (1) Spouses, unmarried sons and daughters below the age of 18 years of all classes enunciated in Rule 2(1), (2), (3) and (4) be admitted as Ordinary Associate Members of the Society on application and payment of fees amounting to half (1/2) of prescribed subscription of Ordinary Annual Membership in addition to full entrance fee and any other fees/deposits. An Ordinary Associate Member shall hold membership as long as he pays the annual subscription and the principal member remains the member of the Society. (2) Only the spouses of classes (1), (2), (3) can also be admitted as Lifetime Associate Members on application and payment of fees amounting to half (1/2) of the prescribed subscription for Life Membership and any other fees/deposits. Lifetime Associate Member will hold membership till the principal member remains the member of the Society. However, he would be allowed to continue as Lifetime Associate Member provided that he pays half (1/2) of the prescribed subscription for Life Membership and any other fees/deposits prevailing then (i.e. at the time of payment).

(Note : The remaining part of the Rule remains unamended.)

Rule no.9 : INSTITUTIONAL MEMBER : (1) Institutional Member shall be such a member who is not an individual/person but a company, firm, organization, institute, NGO, club, etc. and who is admitted as such by the managing committee and who pays annual subscription equivalent to five times of the prescribed subscription of the Ordinary Annual Membership and any other fees/deposits. The entrance fee of such a member shall be to the extent of 75 percent of the annual subscription. (2) He shall be entitled to only one vote during all the General Body Meetings as well as the Elections of the Society. (3) Only one representative of the Institutional member shall be allowed to attend the General Body Meetings of the Society. (4) He shall not be entitled to contest the elections of the Society. (5) He shall continue to hold the membership as long as he pays annual subscription or until he is expelled.

Rule no.15 : An Ordinary/Institutional member will cease to be the member of the Society if he does not renew his subscription by 30th of April.

(Note : The remaining part of the Rule remains unamended.)

The meeting ended with a vote of thanks to the Chair.
