## Platinum Jubilee Celebrations of The Photographic Society of India (PSI)

Born on Sunday, the 29th August, 1937, the Photographic Society of India, popularly known as the PSI, enters into the 75th year. A tiny sapling planted by a small group of founder-members has now grown into a huge tree.

The Society is considered to be one of the oldest societies of its kind in this subcontinent. The Society can claim today to be one of the largest, the most active, the best organized and the best run photographic organizations in our Country.

All these has been possible because of the relentless efforts, patronage and guidance of legends like the father of the Indian photography late Shri J.N.Unwalla, late Shri R.R. Bharadwaj (Guruji), well-known industrial photographer of his time late Shri Mitter Bedi, renowned glamour photographer late Shri Gautam Rajadhyaksha, legendary portrait photographer Shri K.G.Maheshwari, Shri Dilhar Bacheech, noted Senior Advocate, ex-MP and well-known wildlife photographer Shri Adhik Shirodkar, Justice Anand Nirgude (Bombay High Court Judge) and many others.

The Society was formed to promote the art and science of photography and is a meeting place for all who are interested in photography and who want to polish their photographic skills. The Society has members with varied professional backgrounds. Doctors, Lawyers, Engineers, Bankers, Politicians, Architects & Interior Designers, Painters, Professional Photographers, Commercial Artists etc. congregate with the sole intention of pursuing their passion for photography as an art.

The Society is a very active one and every week there are lectures, demonstrations, photographic competitions, workshops, outings, etc. It also organizes photographic outings to picturesque and exotic locations. In the recent past many members have visited Kashmir, Himachal Pradesh, North Karnataka, Konkan, Goa, Madhya Pradesh etc. The beginners in the field of photography are especially encouraged and promoted to participate in these activities and they get guidance from the seniors.

It is perhaps the only photographic society in India which has its own premises, a well-equipped Studio, Library, Air-conditioned photo-gallery, Darkroom, etc. The members can avail of these facilities at very nominal fees. It also conducts Basic and Advanced photography courses. It also has a monthly official publication "Click", which first saw the light of the day in the year 1952.

Apart from organizing various photographic competitions exclusively for its members, the Society also organizes National and International photographic competitions which are open to all.

It organizes All India Photographic Exhibition every year at the prestigious Jehangir Art Gallery. Coincidentally, its first All India Photographic Exhibition, though not held at this gallery, was inaugurated by late Sir Cowasji Jehangir on 26th October, 1940.

Its members have won accolades not only in the photographic exhibitions organized by the Society, but also at those held in other parts of the country and indeed throughout the world.

The Photographic Society of India has played a pivotal role in growth and promotion of the art and science of photography in India. It was the first to give color photography its rightful place.

To celebrate its Platinum Jubilee, the Society has organized many interesting activities. A **Quarterly Thematic Portfolio Competition** has been introduced. Special photography outing to exotic locations are being arranged. The exhibition of photographs of Legendary Masters of Photography late Mr. Mitter Bedi, Mr. Anil Risal Singh - Vice President of FIP, Mr. O. P. Sharma, General Secretary IIPC, Delhi, Mr. Asim Kumar Bhattacharjee of FIP Kolkata, Mr. J. P. Singhal - Great Painter & Photographer was held at the PSI Gallery. These displays were open to the general public.

All those who are passionate about photography should join The Photographic Society of India.
