## From President Desk

As you all know Photographic Society of India is the oldest such society in India serving the cause of photography. We regularly have our monthly competitions for beginners in order to encourage them to compete with the fellow beginners, apart from having the monthly outings and National and International Salons.

PSI has given some of the finest photographers to our country and we feel extremely proud to be a part of their success.

We continue in our quest to encourage people to take up photography either as a hobby or profession. Many of our members have participated in the 14<sup>th</sup> International Print / Digital Salon 2015 and I understand that quite a few have won prizes whose pictures have been displayed at Jehangir Art Gallery. I appeal to all our members to actively participate in all the forthcoming competitions.

While I congratulate the winners, I also thank participants from India and overseas for taking time out to participate and making the Salon successful.

# 14th PSI INTERNATIONAL PRINT/DIGITAL SALON, 2015

## Message from the Judge

At the outset let me wish all the PSI members a Happy and prosperous New Year, with a lot of joy and success. It gives me immense pleasure to congratulate you on the occasion of opening ceremony of 14<sup>th</sup> International Exhibition of Photographic art.

I convey my heartiest thanks to you for choosing me as one of the jury member in your esteemed International Salon and also allow me to express my feelings about you.

In this context I should quote my Mentor Late Benu Sen's words. I heard from him, since my starting of photography that PSI is the MECCA of all photographers and my beloved Benuda told that, at least once in life time every photographers should visit PSI as a holy place of photography. This is the first Photographic Association in India and Late J.N. Unwalla, Late B.W. Jatkar, Late K.G. Maheshwari and many other stalwarts in photography were actively attached with this organisation and also the President of this Association.

I myself feel really proud that I could have attached myself with such an organisation and really I am grateful to the organisers for that, particularly Mr. Prasad Pawaskar, Mr. Nagesh Sakpal & Mr. Sanjay Sakpal. I will fail in my duty if I do not acknowledge co-operations from other members in the jury board as well as all your members directly and indirectly during and after judging. Without which it would not have been possible for me to perform my duty, and last but not the least is Mr. Jai Rane and Mr. Shreedhar who did a lot for me during my stay at Mumbai.

I should mention the great care, co-operations and warm hospitality extended by all the members of PSI to me during my stay at Mumbai.

Before conclusion I should say that the members of PSI are really lucky enough to be a part of such organisation and should expect that they will run the organisation in such a way that it should reach the landmark of 100 years. The present President Mr. Ashish Bist has got such ability and I think he will run the organisation in a right track to reach another landmark.

I wish every success of the Exhibition.

Thanks & Regards.

**Mr. Shyamal Kumar Roy**, EFIAP, FFIP

### Message from the Judge

I am very thankful to Photographic Society of India, Mumbai, for deputing me as one of the Judges for selecting the pictures for it's 14th International Photography Salon 2015. It was big task and tremoundus job to select the certain no.of pictures from about 6000 total pictures in various sections. In these digital era with this judging I could see new and different works of the art photographers from India and abroad countries. I gave minutely attention to each and every picture, so as it should not get injustice because I know every participant's vision is there and that way he is trying to make picture. While judging we all judges enjoyed all viewing pictures and some of them discussed the views of each judge for selecting the pictures. It was new but pleasing exprience for me.

I congratulate all the successful participants and unsuccessful participants too and wish them good luck in participation in future. As well as all the best in every programmes and further salons orgnised by P.S.I.. Mumbai. Thanks to Salon Committee, Managing Committee and all the PSI members who assisted to success this 14th Int.Photography Salon.

## 14th PSI INTERNATIONAL PRINT/DIGITAL SALON, 2015

### Message from the Judge

It has been my pleasure and great honour to have judged the 14<sup>th</sup> International Photography Competitions at The Photographic Society of India (PSI), Fort, Mumbai. I express my heartfelt thanks to the organizing team of PSI, Mumbai to have given me this rare opportunity.

I highly commend the efforts put in by all the team members of the organizing committee of PSI in conducting an international event of this scale and stature.

I was dumbstruck by the passion for photography & the quality to think out of the box, of my fellow judges. Although at various instances there were difference of opinion amongst we judges but at the end creativity had the better of us & prevailed.

I wish to extend my heartfelt gratitude to fellow judges for their co-operation and utmost support during the judging process. It was a great experience and inspiring to witness such an excellent showcase of photography, from across the globe.

It was indeed a life time experience to see work profiles of fellow judges Shri Shyamal Kumar Roy (EFIAP, FFIP), Dr. Avanish Rajan (AFIAP, APSI) & Shri R. B. Pednekar (AFIAP, FFIP, APSI). Their photography works were the perfect reflections of their years of experience and it was highly inspiring.

My heartiest congratulations to all the winners on their achievement and best wishes to those participants who could not triumph this time.

My sincere thanks to the organizing team and associated helping hands for their hard works and efforts.

My best wishes to all team members for the grand success of this exhibition at India's prestigious Jahangir Art Gallery.

**Mr. Suniel Marathe**, ARPS, AFIAP, FFIP, FSOF, APSI

## 14th PSI INTERNATIONAL PRINT/DIGITAL SALON, 2015

### Message from the Judge

I had the honour of judging 14<sup>th</sup> International Salon of Photography. From the first moment. I met a wonderful team of volunteers, who worked 24 hours per day, in order to prepare and execute everything perfectly. Even the software was custom made for this event.

During the judging, which took place in public, the co-operation with the other two selectors was ideal. The jury did not hesitate to exclude some works, that could easily won gold medal else where, because of forbidden manipulation.

Overall, the standard of photographs were excellent and met tough competitions amongst each other.

After two gruelling days of judging, it was really tough to select award winning pictures.

I congratulate all the award winners and also all the participants.

Thank You,

**Dr. Avanish Rajan**, APSI, AFIAP

## Tribute to Late Shri K. G. Maheshwari, Doyen of Photography

Shri Krishna Gopal Maheshwari, a legendary photo artist of India, and also past President of our PSI, passed away on 5th December, 2014 in Mumbai. He was a photo artist of very high caliber, a great human being and also a torch bearer for photography enthusiasts.

Born on November 2, 1922, Maheshwari's interest in Photography as a hobby began from his school days. His father wanted him to take up Music as hobby and a teacher was asked to come and audition him at home. But the result was disappointing when the teacher declared that the boy did not have the kind of voice. A pragmatic boy decided to take up Photography as his hobby instead. His father used to subscribe to Illustrated Weekly and young Maheshwari used to diligently go through the pages devoted to photography. When in school, he started with a Box camera. Later on, he acquired a Rollie, a Leica M3 and a Mamiaflex 330.

In 1938, Shri P. J. Patel of Central Camera Co., asked him to send his photographs for a competition organized by Niharika Camera Pictorialists of Gujarat and he won a prize in the Beginners Section. This is how he really got started in photography.

He did not go through any formal training in photography, as there was none such available. Circumstances around him favoured by putting him into close contact with people who were advanced photographers, people who were mature in the art and practice of photography like late Jehangirjee Unwalla, the doyen of Indian Photography and late Burjorji Fanibunda, and he acknowledged that he had learnt the real technique

of pictorial print making from these great practitioners. In 1941 he got married and as things could happen his wife Shanti Devi not only encouraged him to continue practicing his pet hobby to the fullest but so to say, shared it by giving her utmost might and main to his hobby of making pictorial photography a part of their lives.

He regularly participated in the exhibitions of photography at national and international levels. He had achieved about 1600 acceptances and around 400 awards in these reputed shows only in the Monochrome Section alone.

Practically each and every photographic organizations honoured him for his treasured contribution into the field of photography. A few among them are :-

- 1) (APRS) The Associate-ship of the Royal Photographic Society of Great Britain in 1946;
- 2) (Hon.FIIPC) Honorary Fellowship of the India International Photographic Council, Delhi, in 1985;
- 3) (FSP) Enrolled as the Fellow of the Photographic Society of the University of Mississippi in the year 1990;
- 4) (APSA) Elected as the Associate of the Photographic Society of America in 1992;
- 5) In the year 1992, Conferred Honorary Membership of India International Photographic Council for Lifetime Achievement and unparalleled service in the field of photography.

- 6) (Hon.FIP)by the Federation of India Photography, Kolkata in 2009;
- 7) The Photographic Society of India, Mumbai, honoured him with its Honorary Life Membership in 1975.
- 8) In the 75th year of PSI's existence, all members presented him with a scroll of Honour "Beyond the Boundaries of Self."
- 9) Above all The Ministry of Information and Broadcasting, Government of India honoured him with Lifetime Achievement Award for his noble efforts for the sake of art in the year 2010.

He became member of the PSI in its very first year of its formation and also became its President twice in the year 1960-1962 and again in the year 1969-1971.

He had been on the panel of judging of several National and International Exhibitions and was a member of the Honors Committees of the India International Photographic Council and the Photographic Society of India for many many years.

A collection of his photographic work spanning over four decades was published in a book form entitled

'PRINTS AND IMPRINTS' by the Birla Academy of Art and Culture, Calcutta and Silver memories by K.G. Maheshwari Foundation. He contributed articles to various photographic journals and submitted papers at different seminars.

He took keen interest in conducting photography workshops for art lovers. His favorite subject was 'Pictorial Portraiture'.

Shri Maheshwari was a master of Pictorial Portraiture. The portraits photographed by him attract the attention of viewers at first sight. These portraits are the perfect mix of emotions, excellent light and fine composition.

The passing away of Shri K. G. Maheshwari is a big loss to the world of photography art. He will always be remembered for his precious contribution for art.

May his departed soul rest in the eternal peace.

We all members pray Almighty God to rest the departed soul in eternal peace and give enough strength to the family members to bear this irreparable loss. Amen.

In grief,

**Shirish Jhaveri**, Hon. PSI, AIIPC, FFIP  
Past President PSI
