# From the desk of the Salon Chairman

It is my pleasure to present the catalogue of the 19th PSI International Salon of Photography, 2021. We had a very encouraging response to this PSI Salon – we received a total 5,688 entries by 407 entrants from 47 countries! As the President of PSI and the Salon Chairman, I convey my gratitude to all the participants. I am also grateful to the eminent jury – Ms. Elena McTighe from USA, Mr. Razvan Baleanu from Romania, Dr. Barun Kumar Sinha and Mr. Rohinton Mehta, both from India, for doing the honour.

The Photographic Society of India, popularly known as PSI, has a long legacy of 84 years, currently with about 2,500 members to boost. PSI has a variety of photographic activities throughout the year. The Society is synonymous with regular programs every Friday evening, monthly outings, photography classes, studio shoots, various workshops, monthly competition for members with a separate category for beginners, annual competitions for members, and annual National or International Salons. Our yearly Photography Exhibition at renowned Sri Jehangir Art Gallery is very popular. Mumbai being the financial capital of India, we have a good number of reputed professionals along with ace amateurs as members.

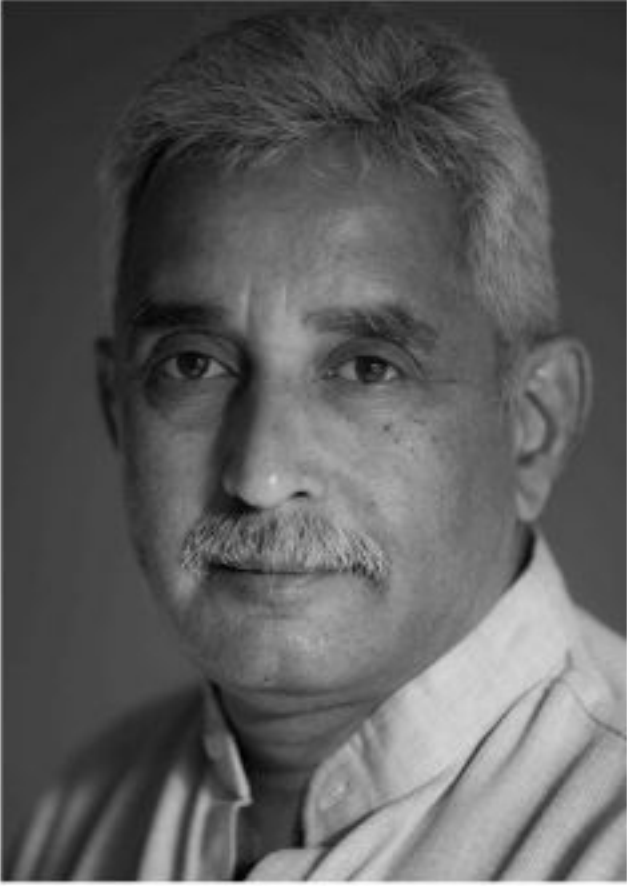

PSI is the meeting place for all photography enthusiasts. Many of the big names today had their humble beginning at PSI. The Late Shri Benu Sen (Benuda ji) used to say “Every photographer should visit PSI, the holy place of photography, at least once.”

I take this opportunity to thank the entire team, consisting of the Managing Committee and the volunteers, for their invaluable contribution in making this Salon a grand success.

**MR. NARAYAN PANJE**

Salon Chairman
