From Salon Chairman's Desk

What a fantastic beginning of the Salon.....not the end because it has given birth to new photographers.....old photographers with new ideas.....new photographers with old ideas.....and also inspired members to give birth to new Salons !!!

The Photographic Society of India has inspired thousands and is dedicated to bring out that artist in you which is still attached with placenta of stagnation.

The whole team of Salon this year worked very hard for the success of the Salon and I thank them for their hearty contribution and dedication towards the Society.

The pictures submitted were of very high standard. Please participate in our next Salon as it will give you a great opportunity to display your work in the leading gallery of our country.

Keep on enjoying the world through the lens of your heart and store the pictures in the soul of your memory cards.

Thank you.

Best Regards

Dr.Avanish Rajan.

AFIAP, APSI.

Salon Chairman and President,
The Photographic Society of India.

As the Secretary of the said Salon, it gives me immense pleasure to declare the event as a resounding success. This success would not have been possible without hard work and contribution of all our managing committee members. I want to congratulate them for their hard work which resulted in the smooth execution of our grand event.

I would like to wholeheartedly thank our Judges for taking time off of their busy schedules to contribute to the success of our 16th PSI International Salon 2018, by judging the photos submitted.
