Message From Salon Chairman

Being President of the oldest Photography Club of our Great Country, I am so thankful to all the participants of our 17 th PSI International Salon. Our Salon was successful because of the support we got from a large number of photographers from all over the world.

The Photographic Society of India, popularly known as PSI, represents a wide range of very talented photographers. A membership offers every member the opportunity to learn from the very best.

For over 82 years, every photographer, beginner, advanced and pro, has had access to learning opportunities, from basic to advance and help with their quest to learn along the way to becoming a better photographer.

PHOTOGRAPHY CLASSES : One of our main goals is to provide high quality educational programs for our members. One way we accomplish that is through our Photography Classes.

GUEST SPEAKERS : Besides some of our very own local talent, we also have well respected photographers from various parts of the country speak and give workshops for our members. We have our Friday lectures.

PHOTOGRAPHY OUTINGS : Our field trips or, as we refer to them as, “SHOOT OUTS” give members the opportunity to go out as a group, to put some of the things they learn into practice. Shootouts are a great way to get to know fellow members and learn from one another as you build friendships with those who share the same love for photography.

COMMUNITY SERVICE : Members of our Club donate many hours of their time and talent photographing events for non-profit organizations. This activity has proven to be a very rewarding experience for not only the organizations but also for the photographers themselves.

COMPETITIONS : 12 times a year, we have photo competitions where members can enter their best images and have them critiqued by a panel of judges. Over the years these competitions have proven to be a great tool to help members improve the art of seeing, capturing and processing great images.

So, if you have passion for photography, want to learn from some of the best talent around and have lots of fun doing it, come join us. For details please visit our website www.photographicsocietyofindia.com.

We are looking forward to your participation in our next Salon.

Dr. Avanish Rajan

Message From Salon Secretary

It has been a great pleasure to serve as The Salon Secretary of the 17th PSI International Salon. I am very proud of the accomplishment of the Salon having 423 photographers from 36 countries, over 5300 images and 110 awards been given. My sincere congratulations to all the award winners and to those of you who have participated in the Salon.

Being a regular participant in the different Salons and Salon Secretary, I can say with great pride that all the images were excellent and I know that there were a lot of really hard decisions the esteemed judges had to take.

I would like to thank all the members of the PSI managing committee, volunteers of the Salon committee and club members for their hard work and support to run the Salon and organizing a great exhibition at India's prestigious Jehangir Art Gallery from 22nd to 28th January, 2019.

I thank and give everyone best wishes for their photographic excellence.

Mr. Vaibhav Jaguste,

Vice President & Salon Secretary
